THE MULTI-MILLION EURO EXTENSION AT GORTNOR ABBEY

MINISTER FOR EDUCATION AND SCIENCE BATT O'KEEFE PERFORMING THE OFFICIAL OPENING OF THE NEW EXTENSION AT JESUS AND MARY SECONDARY SCHOOL

### €4 MILLION EXTENSION AT GORTNOR ABBEY

A €4 million extension was officially opened at Jesus and Mary Secondary School at the end of April. Minister for Education and Science Batt O'Keefe TD was on hand to perform the official opening on what proved a very proud day for students, staff and parents alike.

The development sees the addition of six new classrooms, architectural technology room, science lab, technology room, multi-media room, music suite, a computer aided design room and a new restaurant.

A plaque was also unveiled in honour of

the Sisters of Jesus and Mary.

I was delighted to have assisted in securing the funding for this extension and wish all the students and staff many happy years of learning and development in their marvellous new surroundings.

### ST. TIERNAN'S COLLEGE CELEBRATE NEW CLASSROOMS

A €240,000 extension and refurbishment was opened at St. Tiernan's College in April. The development consisted of a new entrance, a general purpose room and new classroom.

This is a significant development for the students and staff of St. Tiernan's and is further evidence of Government commitment to delivering top class facilities in Crossmolina.

FORMER MINISTER FOR EDUCATION AND SCIENCE MARY HANIFAN VISITED GLENMORE NS LAST YEAR TO OPEN THE NEW COMPUTER ROOM.

### GLENMORE NS OPENS COMPUTER ROOM

Then Minister for Education and Science Mary Hanafin TD visited Glenmore National School last year to perform the opening of the school's new

Computer Room. This followed her visit to the parish in 2007 to officially open the extension at Kilmurry National School.

## €6 MILLION INVESTMENT AT LACKEN CROSS

Minister for Education and Science Batt O'Keefe TD performed the official opening of the €6 million extension at St. Patrick's Lacken-Cross in April.

The modern extension/ refurbishment opened two months ahead of schedule in September of last year.

The extension includes a new PE Hall, science rooms, specialised engineering rooms, modern classrooms and a new staff room.

## SAFETY MEASURES AT TEMPLEMARY NS

I was delighted to be of assistance to the management and staff of Templemary National School in their pursuit of grant aid from the Department of Education and Science Emergency Fund.

The funding was used in applying safety measures to the entrance/ exit at Templemary.
